Ushaw Classic Car Show, probably the biggest in the North East, announces Headline Sponsor

Ushaw Classic Car Show - 450 classic cars, 4 hours of live music, 20+ trade stalls and a brilliant selection of food and drink - at Ushaw Historic House, Chapels & Gardens, May 28, 10am - 5pm

(Durham, England – May 24 - 2022)

Ushaw: Historic House, Chapels & Gardens are delighted to welcome [Classic and Retro Autos Ltd](#) as the Headline Sponsor for Ushaw's Classic Car Show.

Classic and Retro Autos Ltd are a local, family run, classic and retro car restoration and sales company based in Witton Gilbert in County Durham. Established in August 2018, Classic and Retro Autos didn't take long to establish their generous philanthropic nature and community driven spirit by partnering with the likes of Durham MG Club, Northumbria MG, the NECPWA, and now Ushaw: Historic House, Chapels & Gardens.

As official inaugural sponsors of the Ushaw Classic Car Show, their incredibly generous support has ensured that this event is set to be the biggest in the North East, with 450 classic and retro cars on display, live music, trading stalls, and of course a wide range of food and drink options.

Alongside Classic and Retro Autos Ltd, we are pleased to announce that Blast Tech North East Ltd, Classic and Retro Autos Ltd's sister company has also come on board to sponsor the event.

Olivia Willmore, the Fundraising and Development Manager at Ushaw: Historic House, Chapels & Gardens, is "absolutely delighted with the partnership. I think that this is the start of a really strong and exciting relationship between Ushaw and Classic and Retro Autos."

Jon Bradely, the owner of Classic and Retro Autos Ltd has said that “Classic and Retro Autos Ltd, and our sister company Blast Tech North East Ltd, are proud to be headline sponsors of this wonderful local car show at such a prestigious venue.”

Notes to Editors

Ushaw is an arts and heritage venue, located four miles from Durham City centre, with a year-round calendar of cultural events.

A registered independent charity, Ushaw is reliant on donations to help it run as an arts, heritage and cultural attraction for visitors and local communities in North East England.

Its estate spans hundreds of acres. Its buildings are centuries old.

Ushaw preserves and maintains an historic house, chapels, parkland, gardens, library and historical collections – as well as hosting cultural events and providing education and learning opportunities - all year round.

Ushaw is unique. We bring wonder, amazement and surprise. We cultivate curiosity.
